Runner's Edge Foundation is proud to announce over \$4,000 has been awarded from the Larry Davis Scholarship Fund. The winners of the second annual Larry Davis Scholarship Awards were announced in early June. The panel of judges selected **Reagan Fuhr** from Cypress Bay High School in Weston as the outstanding applicant with **John Hackett** and **Morgan Rodriguez** from Cardinal Gibbons High School in Fort Lauderdale joint runners-up. These awards are the legacy of Larry Davis, a dedicated local road runner who died last year from Mesothelioma, an incurable form of cancer that is linked with exposure to asbestos. Larry was a familiar figure at 5k, 10k and half marathons in South Florida, often winning his age division and running kept him focused for much of his six-year battle with the deadly disease.
