

“The Palm Beaches Marathon was my first full marathon and a rather big deal for me. I was tearing up from mile 25 on just realizing that I had this in the bag. I started running four years ago and couldn’t do a mile without stopping several... times. This was huge for me.

My daughter was there and she jumped in and ran across the finish with me. I loved everything about the race. I haven’t been a runner all my life, but now I can’t imagine my life without it.”
