

Presidents Message

T.S. Eliot wrote "April is the cruellest month, breeding lilacs out of the dead land, mixing memory and desire, stirring dull roots with spring rain." A good epigraph for the Boston Marathon 2014, which mixed the memory of Boston 2013 with the desire of Boston 2014. The Palm Beach Roadrunners were there: Dave Masterson, Dianne Lavado, Rob Sandler, Steve Monks, and Mary Monks, who came in third in her age group in the 5K, and I. Many other runners from Palm Beach County participated as well. The City of Boston and the girls of Wellesley were out in force, warmly thanking us for running this year. Patti Kadis hosted a great post-race party for the locals at Run and Roll.

Rooney's 5K also featured many Roadrunners, including Nick Schling, who took first place overall, Alicia Schultz, who won second place overall, Madeleine Lenke, who won third place overall, and Iva Grady, who won her age group. Iva also won her age group at the 7 Mile Bridge Run! Dianne Lavado and Krissi Neville represented the club at the Big Sur Marathon. Dianne, how do you run two hilly marathons back to back?

Nimia Gonzalez won her first masters award at the Thin Mint 5K, and Nereyda Aquino, our Co-Membership Chair, ran the Nike Half Marathon in Washington, DC.

Our next social is at the Burger Bar in Palm Beach Gardens at 5:30 on May 21. We hope to see you there!

Will Enriquez is taking final applications for our scholarships for high school runners for the Warrior Running Camp. If you're interested, or know any high school runners, check out the link on the web site!

And to those who haven't yet renewed their membership, we need you to help support the running club that supports you! You get discounts on running gear from the local running stores and on our race registrations, the South Florida Running Forum and invitations to our socials, and the satisfaction that comes from supporting our sport where we live.
