

*Nadine joined our board in February 2015 and has done an exceptional job creating our volunteer program for PBRR.*

## ***INTRODUCING NADINE MALTZ*** VOLUNTEER COORDINATOR FOR PALM BEACH ROADRUNNERS

Nadine was born and raised in South Africa, with Afrikaans as her first language.

You won't notice this in her English! Nadine's work experience and life adventure begins in The Netherlands where she learned Dutch as a third language. Shortly thereafter she married an American Air Force Veteran and Made Florida her home. They moved to Asheville North Carolina where she met an amazing group of runners who motivated her to get out of the gym and hit the asphalt! This amazing group of woman ignited her passion for the sport and they went on to motivated many people to become active.

Nadine's love for the ocean and the beauty of Jupiter Florida prevailed, her return to South Florida was long overdue. Being new in the community after a 10 year absence she decided to get more involved in the running community to meet like-minded active friends.

She is excited to serve on the Board for the Palm Beach Roadrunners to help inspire others to become active and improve their self-esteem. "Working with the Volunteers in our Club is a rewarding task, I am honored to lead amazing people who are willing to give their gift of time, which has become such a valuable commodity. "

PBRR members Krissi Neville, Lisa Smith and Dianne Lavado recently participated in the Gasparilla Challenge which included 30.4 miles over two days and four races.
