

Gearing Up For Fall

As temperatures cool off, TC Runners heat up on the Treasure Coast

Cooler Treasure Coast weather ushers in our prime training months and endurance season has kicked into full swing. In addition to the regular Tuesday/Thursday/Saturday training runs and Tuesday track workouts, almost every weekend has brought a major event including the Cherish Life 10K, TCR groups racing several national marathons including Chicago, Wineglass, and Southernmost. Additionally, we had several TCers racing local, national, and international triathlons, including participants at Ironman Chattanooga, Louisville, Muskoka, and the World Championship in Kona, Hawaii. TC Runners also participated in several regional and national half marathon events and many local 5Ks. This month also included our annual Treasure for Charities kick-off for the Marathon of the Treasure Coast where we were able to donate \$15,000 to local and national charities from the proceeds from last year's TC Marathon and begin the organizational process for this year's marathon scheduled for March 6, 2016. We are looking for staff support for TCM 2016. To get involved, contact Frank Fender on Facebook.
