

Marathon Season

Endurance Racing is in Full Swing on the Treasure Coast

October and November are active endurance racing months for athletes on the Treasure Coast. In this short window, as temperatures start to cool off, TC Running has been cheering on our training partners at the Marine Corps Marathon, New York City Marathon, Savannah Rock'n Roll Marathon, and several Half Marathon and Ultra Marathon events around the country. Halloween is also the time TC Running hosts our annual TC Halloween 13.1 Half Marathon here in Martin County. This year's event was a huge success with a new and improved route, a record number of runners, and a cool spinning finisher's medal. We even had a marriage proposal at the finish line. Winners and their finishing times are listed below. Quick Reminder: Don't forget that the TC Running Club Board meeting is scheduled for the first Monday of each month at 6:30pm. The next one is scheduled for December 7th at the House of Brews in Jensen Beach. All are welcome and we encourage you to attend.
