

Cardinal Newman High School, West Palm Beach, FL. June 29th

On Wednesday, June 29th, the Palm Beach Road Runners, a non-profit organization based in West Palm Beach, FL awarded twenty-eight scholarships for local middle and high school age athletes. These scholarships provide a week of summer camp experiences for each individual at the Warrior Running Camp, held at Webber University just south of Lake Wales, FL. Attendees of the Warrior Running Camp can expect a week of run-themed activities including coached runs, nutritional advice, pre and post race conditioning, race strategy and even tips on college recruiting. Traditional summer camp activities include great meals, camp competitions, swimming, talent shows, volleyball and group events.

The Palm Beach Road Runners (PBRR) has provided these scholarships to local youth runners for over a dozen years. The club holds three popular run events throughout the year, raising monies for the scholarship fund. The races are the "Run 4 The Pies" 4-mile event on Thanksgiving in the Village of Tequesta, December's "Classics By The Sea" 5 & 10k in Jupiter, and the "Shamrock Run," a 10 mile and 5k event in mid-March.

Ken Baxter, Secretary for the Palm Beach Road Runners, said when addressing the parents and scholarship recipients that, "The awarding of these scholarships each year represents the finest hour for those of us involved with the club." All of the scholarship winners are active competitors

for their respective schools in track and field, cross country running or both. Treasurer Dianne Lavado reviewed with the athletes and their parents some details regarding the camp's registration process and the like. Wednesday evening's Awards Ceremony had plenty of excitement, as many of the young athletes would be attending summer camp for the very first time.
