Introducing Summer Rogue Runs

PBRR will be organizing random fun "Rogue Runs" starting this month. We will randomly select unique and fun running locations throughout Palm Beach County that offer different distances and course terrains. Nothing but fun and an opportunity to be social with friends that run. Come meet some new people, get in a workout somewhere you might not normally

run and see how many you can make over the summer. Watch for the first announced Rogue Run on PBRR Facebook and our email blasts. This will only be sent to PBRR members so tell your friends and rejoin the club if you have not already.
