

NOVEMBER 2017 ■ Palm Beach Roadrunners

Spoiler! Our club undergoes an important shift each November. Our all-volunteer Board of Directors is selected from among our many members. This steering group meets once per month and brings new ideas and events to our club and its members. Do you enjoy our sport, our activities, our events, and our causes? If you have talents that can help our members and club, we would love to have you on our energetic team. From my “biased” vantage point, our club is unique and so much more than just a group of like-minded athletes. What run club has its own terrific races, charity causes, youth programs, weekly supported runs, scholarships for developing runners, and great social events?

Palm Beach Roadrunners is in a great position and headed towards our best year ever. I invite you to join us for the ride! Our next meeting is Nov 13th. We welcome those who want to be a “special part of something special.”

Do you know local business owners that would benefit from appearing at and sponsoring our upcoming races? (Run 4 The Pies, Classics By The Sea) Hundreds of people from our area participate and spectate, this is a powerful way to promote a company and its offerings.
